

Good afternoon golfers,

This letter is to update everyone regarding the new booking policies that we will be implementing for this golf season. The Humboldt Golf Club will be opening for tee time bookings tomorrow morning (May 8th) at 9:00 am. With the ongoing Covid-19 pandemic, tee times are required to be 20 minutes apart. Because this limits the availability of tee times compared to what we're used to, we have decided to implement some new rules regarding tee times in order to make operations run as smoothly as possible while also giving everyone a fair chance at making a booking. The new rules for this year include:

1. You may book tee times up to one week in advance.
2. All golfers are required to book a tee time, no walk-ons will be allowed.
3. The person creating the tee time will be required to provide the names of all golfers that will be in the group.
4. We encourage golfers to book in groups of 4, however, we will still accept bookings in smaller groups. Depending on demand for that day, smaller groups are subject to being combined by the golf course staff in order to give more people the opportunity to play.
5. Due to more restrictive tee times and expected demand, we will only be allowing golfers to book one round of golf (9 holes or 18) per day in advance. However, if golfers would like to play more than one round on a particular day, they may book a second tee time on THAT DAY ONLY if there are still times available. (Example: Joe calls on May 8th to book an 18 hole tee time for 9:30 on May 15th. Joe may ONLY book a second round of golf for May 15th if there are still open tee times available as of the morning of May 15th.)
6. Juniors will be restricted to booking tee times after 2:00 pm on weekends and after 11:00 am on weekdays unless accompanied by an adult.
7. Please show up no more than 20 minutes before your tee time in order to reduce the amount of contact between golfers.

Our hours of operation for May 8th until May 14th will be 9:00 am until 4:00 pm. During these hours, the proshop doors will remain closed but you may call to book tee times for May 15th and onward. Beginning May 15th, our hours will be extending to 8:00 am until dark. Since the government guidelines state that locker storage is not allowed this year, any members that have their clubs stored in the building may call down and arrange a time for a curbside pickup of their golf clubs. Additionally, the driving range and putting green will also remain closed until we are given permission to open them for public use.

We would like to remind everyone that it is important that we follow these rules in order to ensure that our golf season is not interrupted. We all have to do our part to ensure that the non-golfing public sees that we are taking every precaution and we are not taking the privilege to resume golfing for granted.

If you have any additional questions about the operations of the golf course this year, please do not hesitate to call us at 306-682-2833.

Thank you
